Whitewater, Kansas Grace Baptist Church

NEW TO THE CENTRAL STATES FAMILY

A short drive from Wichita is the Grace Baptist Church of Whitewater, Kansas. It consists of body of believers that desires to walk by faith together in community life and honoring God by living out His perfect word daily. GBC has about 20 faithful families who enjoy fellowshiping, sharing in life experiences, and growing in our faith together. The Covid years were challenging for this wonderful fellowship. Grace Baptist and Central States Church Extension have joined up in the task of seeking the Lord's direction and provision to strengthen and grow this ministry.

Would you pray for us? Grace Baptist is in need of a Pastor to invest in this ministry.

Pastors Needed: Grace Baptist Church, Whitewater Kansas

Sanger Bible Church, Sanger, Texas

The future Bible Church of Enid, Enid, Oklahoma

Board Members: Our dedicated and faithful Board Members desire to have others step in and carry on our work. Please pray that the Lord will raise up Board Members.

Finances: Our ministry fund is very low and our work is increasing. Please pray with us for the Lord's supply to keep the ministry of Central States Church Extension moving forward. Support for the Courtneys and the Friends are also items of prayer. A giving portal is now available on our new website: www.csce.church **We need your prayers!**

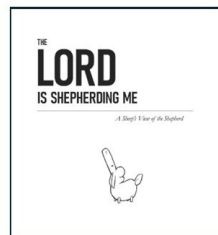

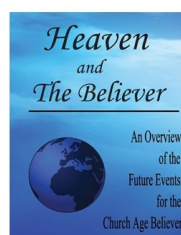

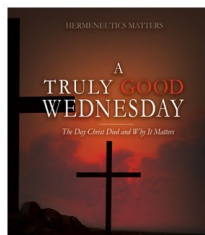

Another adventure for the Executive Director! In October of 2023, I was given the privilege of serving as the Executive Director of Central States Church Extension. Over the last year, much time has been in updating our ministry forms and establishing our website platform. Travel to the IFCA Convention and establishing partner ministries have been essential in getting our work on its way. New opportunities are arising in the church planting (Sanger, TX, Enid, OK) and the church revitalization ministries (Whitewater, KS). Another work is developing in the Kiowa, Kansas community. My wife Pam and I have moved our residence to Medford, OK which has become strategic for us in ministry access via travel. Now, a big transition has taken place. I have retired from the Hillsdale Bible Church (Hillsdale, OK) to assume the full-time work of CSCE. This comes after 13 years of pastoral ministry at Hillsdale and 35 years spread out in Indiana, Arkansas, Alabama, and Oklahoma. Many years of memories and dear friends! As full-time missionaries, we are praying to the Lord to provide the financial support needed for this work. Hudson Taylor once said that you can depend on it, "God's work, done in God's way, will never lack God's supply." It is a matter of faith. **Would you pray with us as we undertake this new adventure in ministry?**
